

Application No. 10/730,394  
Amendment Dated: September 22, 2005  
Reply to Office Action of: June 22, 2005

This listing of claims will replace all prior versions, and listings, of claims in the application:

***Listing of Claims:***

1. (Currently amended) A hair brushing appliance comprising:  
  
a housing,  
  
a motor located within the housing,  
  
a brush extending from the housing,  
  
a transmission relaying output ~~torque~~ torques of the motor to the brush,  
  
and  
  
a slippage mechanism associated with the transmission to allow the motor to turn, ~~should the roller stop turning in use~~ as said brush is stopped turning in use, said slippage mechanism further comprising a clutch associated with gears in a gearbox, said clutch comprising a plurality of profiled intermeshing teeth and a spring biasing the profiled intermeshing teeth into engagement with one another, and wherein force applied by the spring upon the clutch defines a pre-set torque transmission limit of the gearbox.
  
2. (Currently amended) The appliance of Claim 1 further comprising a heater and a fan blowing air across the heater to the ~~roller~~ brush.
  
3. (Canceled)
